## JOHN KLAUSE

John, born on December 20, 1909, was the last son born in the family. Like his brothers, he took up farming, and remained on the homestead. He was the only member of the Klause family to achieve a high school education.

On October 16, 1938, he married Helen Goronzy and they were blessed with a daughter, Beverly Joan on April 26, 1940, and a son, Allan Rodger, on June 2, 1942. In 1944, they built a new house on the homestead, where they worked hard and built up a very successful farm.

Visitors were most always treated to a full meal, or at least a very hearty luncheon. Helen was an excellent cook (as were all the ladies in the family).

Beverly relates how her father took them hunting, fishing, etc., as he truly loved the outdoors. He was very methodical in everything he did. A hobby which he pursued with passion after retirement was the game of horseshoes, at which he excelled. We also remember, with fondness, him singing and playing the banjo. Several of the Klause's had good singing voices, perhaps inherited from their father, Adolph.

John and Helen built their retirement home in Springside, where John again pursued another hobby, gardening. Visitors would be shown around his large, immaculate yard, with pride. Helen and John maintained a showcase property.

Another hobby that John and Helen took up was the art of quilt making. John would design the pattern and Helen would take it from there. Their family was rewarded with the fruits of their labors, as they produced many masterpieces in the winter months. They were also very active in the Springside Seniors' Centre, which provided good fellowship and friendships.

Beverly married Fred Prouse in 1959 and they had three children, Carrie, born on March 7, 1960, Shelly, born on December 12, 1961, and Craig, born in 1964. Beverly and Fred were divorced. Beverly resides in Red Deer, Alberta, as does daughter, Carrie Morton, who has three children, Tamara, Kendra and Ryan. Shelly is single and works as a nurse in Red Deer. Craig (Denise) have a child, Jaidyn, and reside in Red Deer.

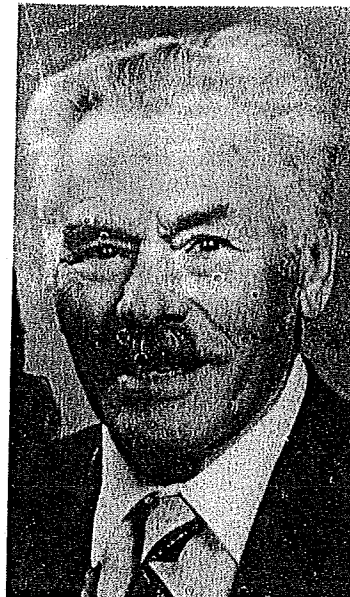

Allan married Luella in 1968, and they have two sons, Garth (Sherrie) who reside in Red Deer, and Alden, in Blackfalls, Alta.

**KLAUSE**—Mr. John Klause, beloved husband of Helen Klause of Springside passed away peacefully at home on May 14, 1994. He was 84 years of age. John was born in the Springside District on December 20, 1909, the son of Adolf and Bertha Klause. He attended Whitesand School and completed his high school at the Yorkton Collegiate Institute. Following this John began working on the family farm where he remained until his retirement in 1974 at which time the family moved into Springside where he resided until his passing. John was the last survivor of the Adolf Klause family. On October 16, 1938, John was united in marriage to Helen Goronzy. This union was blessed with two children. John loved farming but due to reasons of poor health at the particular time, he retired from farming and moved to Springside. John loved fishing, gardening and also golfing, but his favorite was horseshoes. An avid horseshoe player, he has many trophies to show for his talent. He also loved to sing. John's gentle nature and spirit will be remembered by his family and all the people he touched. Mr. Klause was predeceased by his parents, Adolf and Bertha Klause; seven brothers: Edward, Paul, Theodore, Edmund, Emil, Henry and Harry; two sisters, Mary (Livingstone) and Violet (Pedde). He will be sadly missed and forever remembered by his family and many friends. Funeral Services were held Tuesday, May 17, 1994 from Springside Baptist Church with Pastor Brian Kirsch officiating. The pianist, Alice Dutz and the organist, Loreen Tillman accompanied the congregation in the singing of the hymns, What A Friend We Have In Jesus and Near The Cross. Special selection of music of When We See Christ was sang by Hannie and Don Arndt. Interment followed in the family plot in the Springside Cemetery with Julius Bierwagon, William Goronzy, Dan Minke, Norman Liebriech, Louis Dutz and Herb Laube as the honorary pallbearers. ## John's dream came true

*John Klause displays the winning form that earned the retired farmer from Springside a first place finish in the Moose Jaw Packers event at the Buffalo Days Horseshoe Tournament on the weekend in Regina. He was aiming for the beautiful trophy.*

At 67, John Klause of Springside figures he's still just a youngster...at least in the sport of horseshoe tossing. "I only started about 15 years ago," he laughs, "and that's pretty late to begin."

In fact, he only began to enter the highly competitive field of horseshoe pitching in tournaments two years ago, but they have proven to be two successful years.

When it comes to clanging horseshoes around slim metal pegs, John Klause is making up for lost time.

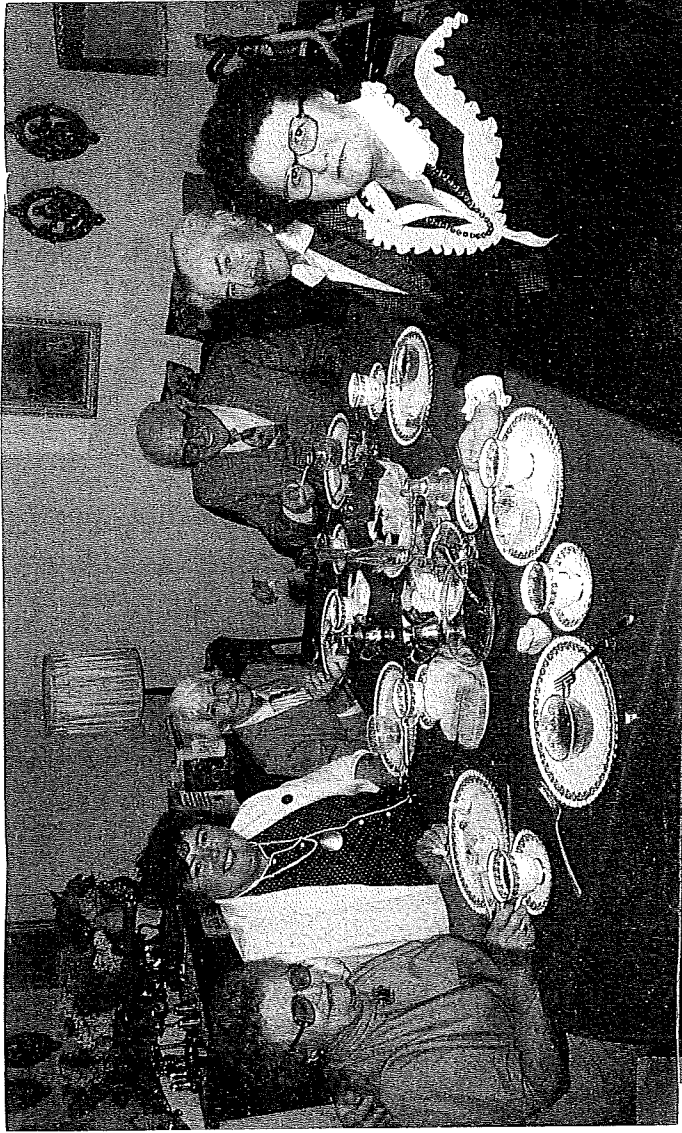

His biggest accomplishment came this past weekend when John placed first in the Moose Jaw Packers Event in the provincial horseshoe competitions held in conjunction with the Buffalo Days Exhibition.

"It was a dream come true," commented John as he proudly displayed the beautiful silverware he brought home to his Springside area home.

There was little doubt that some of the top horseshoe pitchers from the province were in Regina. Competition was extremely tough in all events. In fact, with the seven-win, two-loss record, Klause finished in a five-way tie for the top honors in his event. But, with an accumulated point total of 193, he easily out-distanced the nearest runner-up, John Stablyk of Edmonton.

The fact that John lost part of a finger on his throwing hand a number of years ago has not held him back from entering horseshoe throwing competitions. Showing the unique hold that he has had to develop because of his shortened index finger, John commented, "it's just a matter of getting used to your own style."
